

COMPANY PROFILE

ENGINEERING CONSTRUCTION MINING SOLUTIONS

Delivering safe, reliable and innovative solutions that build a better tomorrow.

Company Overview

A Proudly South African Multidisciplinary Engineering Company

Basadi Industries (Pty) Ltd is a proudly South African, black-owned, youth-owned, and female-owned multidisciplinary company based in Kathu, Northern Cape.

We provide integrated engineering, construction, electrical, mining support, sanitation, and industrial supply solutions to the mining, industrial, commercial, government, and infrastructure sectors.

Our commitment to safety, quality, innovation, and reliability drives us to deliver cost-effective, sustainable solutions that create value for our clients and communities.

Our Story

Building More Than Infrastructure

Basadi Industries was founded with a clear purpose—to deliver dependable engineering solutions while creating opportunities for people, strengthening communities, and supporting South Africa's growing industrial landscape.

Why We Exist

We believe infrastructure is more than construction. Every project we undertake is an opportunity to improve operations, empower local communities, create employment, and contribute to sustainable economic development.

Driven by Purpose

To become a leading female-owned multidisciplinary services company in Southern Africa, delivering world-class engineering, infrastructure, mining support, and industrial solutions that drive economic growth and sustainable development.

Our Vision for Tomorrow

Basadi Industries is committed to:

- ✓ Delivering quality services that exceed client expectations.
- ✓ Promoting safety, integrity, and professionalism in all operations.
- ✓ Supporting local economic development and transformation.
- ✓ Building long-term partnerships through reliability and innovation.
- ✓ Investing in skills development and youth empowerment.
- ✓ Providing cost-effective solutions while maintaining the highest

How we work

The Principles Behind Every Project

Safety First

We adapt quickly, respond efficiently and move with purpose.

Excellence

We are committed to delivering superior quality services and products..

Empowerment

We support transformation, skills development, and community growth.

Integrity

We conduct our business honestly, ethically, and transparently.

Innovation

We embrace technology and modern engineering practices

Reliability

We deliver projects on time, within budget, and to specification.

Our Services

- 01 ELECTRICAL ENGINEERING SERVICES**
- 02 CIVIL & STRUCTURAL ENGINEERING SERVICES**
- 03 MINING SUPPLIES & INDUSTRIAL PROCUREMENT**
- 04 SANITATION & HYGIENE SERVICES**

ELECTRICAL ENGINEERING SERVICES

Basadi Industries provides comprehensive electrical contracting, installation, maintenance, and support services for mining, industrial, commercial, and infrastructure projects. Services are inspired by industry best practices including MV/LV systems, substations, generators, transformers, and industrial electrical maintenance.

01 Electrical Installations

- Electrical construction & installations
- Medium & Low Voltage (MV/LV) systems
- High Voltage (HV) support
- Electrical reticulation
- Power distribution systems

02 Power Infrastructure

- Transformer installation & maintenance
- Mini-substations
- Switchgear systems
- Motor Control Centres (MCC)
- Underground & overhead cabling

3. Maintenance & Compliance

- Electrical maintenance & fault finding
- Industrial plant maintenance
- Electrical inspections & compliance
- Emergency breakdown support

4. Energy Solutions

- Backup power systems
- Generator installation & maintenance
- Solar & renewable energy solutions

5. Mining Electrical Support

- Mine electrical infrastructure
- Crusher plant electrification
- Conveyor systems
- Pump station installations

ELECTRICAL ENGINEERING SERVICES

Basadi Industries offers comprehensive civil engineering, infrastructure development, and structural construction solutions for public and private sector projects.

Our capabilities are aligned with modern infrastructure and mining construction requirements, including roads, pipelines, water infrastructure, bulk earthworks, and structural works.

01 Earthworks & Site Preparation

- Bulk earthworks
- Site clearing and preparation
- Excavation and backfilling
- Platform construction
- Site establishment
- Land rehabilitation
- Stormwater management systems
- Solar lighting and backup systems.

2. Roads & Transport Infrastructure

- Road construction
- Road rehabilitation
- Gravel roads
- Access roads
- Haul roads
- Road maintenance
- Paving works
- Kerbing and paving
- Road drainage systems

3. Water Infrastructure

- Water pipelines
- Bulk water reticulation
- Reservoir construction
- Water treatment facilities
- Pump stations
- Water storage systems
- Borehole infrastructure
- Water supply systems

5. Sewer & Wastewater Infrastructure

- Sewer reticulation systems
- Wastewater treatment facilities
- Sewage pump stations
- Manhole construction
- Sewer pipeline installation
- Wastewater management systems

6. Concrete Structures

- Foundations
- Reinforced concrete structures
- Retaining walls
- Concrete slabs
- Industrial flooring
- Structural concrete works

3. Mining Infrastructure

- Mining civil infrastructure
- Process plant civil works
- Crusher foundations
- Conveyor foundations
- Tailings facility support structures
- Mine roads
- Drainage systems
- Workshop infrastructure

5. Structural Services

- Structural steel fabrication
- Steel erection
- Structural modifications
- Industrial buildings
- Warehouses
- Workshops
- Pipe racks
- Platforms and walkways
- Handrails and guardrails
- Structural inspections
- Maintenance and repairs

MINING SUPPLIES & INDUSTRIAL PROCUREMENT

Basadi Industries supplies quality products and equipment to support mining, engineering, maintenance, and industrial operations.

1. Mining Supplies

- Mining consumables
- Safety equipment and PPE
- Hand tools and power tools
- Industrial hardware
- Fasteners and fixings
- Welding consumables
- Abrasives and cutting tools
- Bearings and transmission products
- Pumps and accessories
- Valves and fittings
- Pipes and flanges

2. Industrial Equipment

- Electrical equipment
- Transformers
- Switchgear
- Motors and drives
- Instrumentation equipment
- Industrial lighting
- Generators
- Compressors
- Workshop equipment

3. Construction & Mining Machinery Supplies

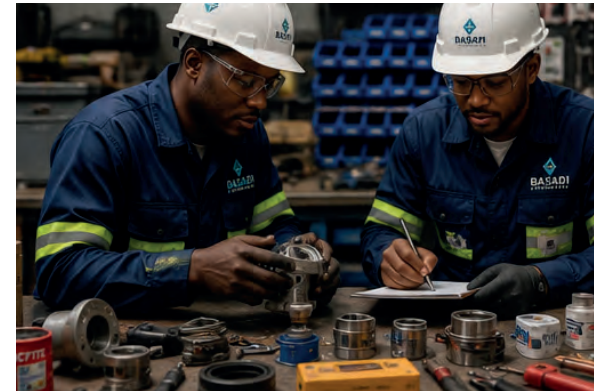

- Earthmoving equipment parts
- Plant spares
- Heavy equipment components
- Mining machinery consumables
- Fleet maintenance products
- Ground engaging tools (GET)
- Tyres and tyre support products
- Hydraulic hoses and fittings

4. Plant & Workshop Support Products

- Waste removal services
- Sewage removal
- Septic tank cleaning
- Wastewater disposal
- Site sanitation management
- Hygiene consumable supply

5. Engineering & Maintenance Supplies

- Mechanical spares
- Structural steel products
- Industrial coatings
- Protective equipment
- Maintenance materials
- Site consumables
- Construction materials

SANITATION & HYGIENE SERVICES

Basadi Industries provides sanitation and hygiene solutions to mines, construction sites, events, industrial facilities, and remote operations. Services include portable sanitation, waste management, and hygiene support.

1. Sanitation Services

- Portable toilet rental
- VIP toilet rental
- Mine specification toilet units
- Mobile ablution facilities
- Portable urinals
- Hand washing stations
- Mobile shower units
- Restroom trailer solutions

2. Waste Management

- Waste removal services
- Sewage removal
- Septic tank cleaning
- Wastewater disposal
- Site sanitation management
- Hygiene consumable supply

3. Hygiene Solutions

- Cleaning chemicals
- Sanitizing products
- Hygiene consumables
- Facility cleaning services
- Deep cleaning services
- Industrial hygiene support

HEALTH, SAFETY, ENVIRONMENT & QUALITY (HSEQ)

Basadi Industries is committed to maintaining the highest standards of:

- ✓ Occupational Health and Safety
- ✓ Environmental Management
- ✓ Risk Management
- ✓ Quality Assurance
- ✓ Regulatory Compliance
- ✓ Continuous Improvement

We promote a zero-harm culture and strive to ensure safe, sustainable, and environmentally responsible operations across all projects.

The Basadi Advantage

1

100% Black-Owned, Female-Owned & Youth-Owned

Driving transformation through inclusive leadership and empowerment

2

Multidisciplinary Engineering Expertise

Integrated solutions across engineering, construction, mining support, and industrial services.

3

Turnkey Project Delivery

From planning and procurement to execution, maintenance, and operational support

4

Safety & Quality Driven

Committed to delivering every project with the highest standards of safety, compliance, and workmanship.

5

Trusted Mining & Industrial Partner

Supporting mining, government, commercial, and infrastructure sectors with reliable, value-driven solutions.

A large industrial facility, likely a coal processing plant, is shown against a sunset sky. The structure consists of multiple levels of steel frameworks, conveyor belts, and large storage piles of material. The lighting is warm and golden, highlighting the silhouettes of the machinery and the texture of the material piles.
